Day 2: DAR ES SALAAM-ARUSHA-TARANGIRE/MANYARA NATIONAL PARK:

After a leisurely breakfast, you will be transferred to Dar es Salaam Airport where you will board an internal flight to Arusha. Arrival into Arusha will be in approximately 2 hours and 45 minutes. Upon arrival to Arusha you will be met by your guide at the airport then with your picnic lunch (already prepared) you will be driven directly to Tarangire National Park- famous for its elephant population.

Tarangire offers unparalleled game viewing, and during the dry season elephants are abundant. Herds of up to 300 elephants, wildebeest, zebra, buffalo, impala, gazelle, hartebeest crowd the shrinking lagoons. Families of the pachyderms play around the ancient trunks of baobab trees. Watch the elephants descend from the hilltops to quench their thirst and play in the rivers that flow through the reservation. Tarangire breeds 550 bird varieties, the most in one habitat anywhere in the world. Here you will have the unique experience of seeing the Massai people seamlessly merging with nature to maintain their ordinary way of life. Also, breath-taking views of the Masaai Steppe and the mountains to the south, makes a stop at Tarangire a memorable experience. Thereafter you will be driven to LAKE MANYARA WILDLIFE LODGE for dinner and an overnight stay.

Lake Manyara Wildlife Lodge is located in the Great Rift Valley and offers panoramic views of Manyara National Park. Here you will have the unique opportunity of watching the sun rise and set over the picturesque Lake Manyara from their superb terrace. The Lodge is tastefully built with wood incorporating the authentic African style. The lodge is surrounded by lush landscaped gardens and stunning panoramic views. Despite being close to nature, the luxurious hotel also provides amenities such as a swimming pool, gymnasium, bars, boutiques and gift shops.

Day 3: LAKE MANYARA-SERENGETI NATIONAL PARK:

After an early breakfast and with your picnic lunch, you will be driven to the famous Serengeti National Park via the Ngorongoro Conservation area, with a game drive en route.

The Serengeti which means endless plains is one of the world's last great wildlife refuges. It is a vast area of land supporting the greatest remaining concentration of plains in Africa, on a scale unparalleled anywhere else in the world. Here you may get to see some, if not all, of the big five. You will then be driven to the Seronera area known as the wild paradise; you will be able to see thousands of wild animals and view the most eagerly anticipated migration of the wildebeests (depending on the season). After the game drive, proceed to dinner and an overnight stay at the **SERONERA WILDLIFE LODGE**.

At the Seronera Wildlife Lodge, you have the unique opportunity to view animals whilst watching the sun rise and set over the breath-taking endless plains of the Serengeti against the mountainous backdrop from the observation deck. From the comfort of your own room you may see animals stroll pass! The Lodge is artfully constructed around enormous natural boulders and the lodge is made of wood and glass. There are also several waterholes near the lodge attracting animals day and night so you don't miss a thing! Despite being close to nature, the luxurious hotel also provides amenities such as a swimming pool, gymnasium, bars, boutiques and gift shops.

Day 5: SERENGETI-NGORONGORO CRATER

Today after an early breakfast you will visit the world famous Ngorongoro Crater. Taking a picnic lunch, your guide will drive you to Ngorongoro for a game drive late into the evening. Ngorongoro is named after the sounds made from the ringing cattle bells.

You will skirt round the rim of this magnificent caldera and descend 2000ft to the crater floor – one of the seven natural wonders of the world for a game drive. This will be an opportunity for you to get closer to some of the animals and also tick off any animals not yet seen. Hopefully at the Ngorongoro Crater you will catch a glimpse of the elusive rhino. The crater is now the only place left in Tanzania where you will see this mighty beast and other unique animals. Here you may also observe other animals such as: lions, hyenas, buffalos, hippos and many more. Thereafter you will be driven back to the Crater Rim for dinner and overnight at **NGORONGORO WILDLIFE LODGE.**

Ngorongoro Wildlife Lodge is strategically perched on the rim of the crater. All the lodge's 80 rooms have panoramic windows providing breath-taking and uninterrupted birds-eye views of the crater's great bowl. The open-air terrace of the rhino lounge also gives superb panoramic views of the entire crater. The elegant lodge is built from local stones and natural wood merging with its natural surroundings. Despite being close to nature, the luxurious hotel has all the amenities one would expect from prestigious hotel group.

Day 6: NGORONGORO-MANYARA-ARUSHA

A leisurely breakfast is followed by a game drive through Ngorongoro conservation area where you will enjoy a picnic lunch, followed by a drive to Manyara National Park.

Manyara National Park is a compact game viewing circuit; it offers a virtual microcosm of the Tanzanian Safari experience. As soon as you enter the park, the roads wind through an expanse of lush jungle – like a groundwater forest. Here you will see baboons, blue monkeys, buffalo, zebra, wildebeest and giraffes. You may also get the opportunity to see the legendary tree-climbing lions. In addition, Manyara gives the perfect introduction of Tanzania's birdlife with more than 400 species. The game drive will continue till late into the afternoon. Thereafter you will travel to **MOIVARO COFFEE PLANTATION LODGE** in Arusha for dinner and overnight stay.

The Moivaro Coffee Plantation Lodge is a serene, quiet retreat full of charm. It is surrounded by lush greenery, landscaped gardens, coffee plants and tropical trees. The rooms are designed to the highest of standards, comfortable, tastefully finished and decorated in the authentic African style. Just 7 Kilometres away from the town of Arusha, it is an ideal base to travel from.
